

Chord Model

Note and Interval models

eg. D#:min7(9)/5

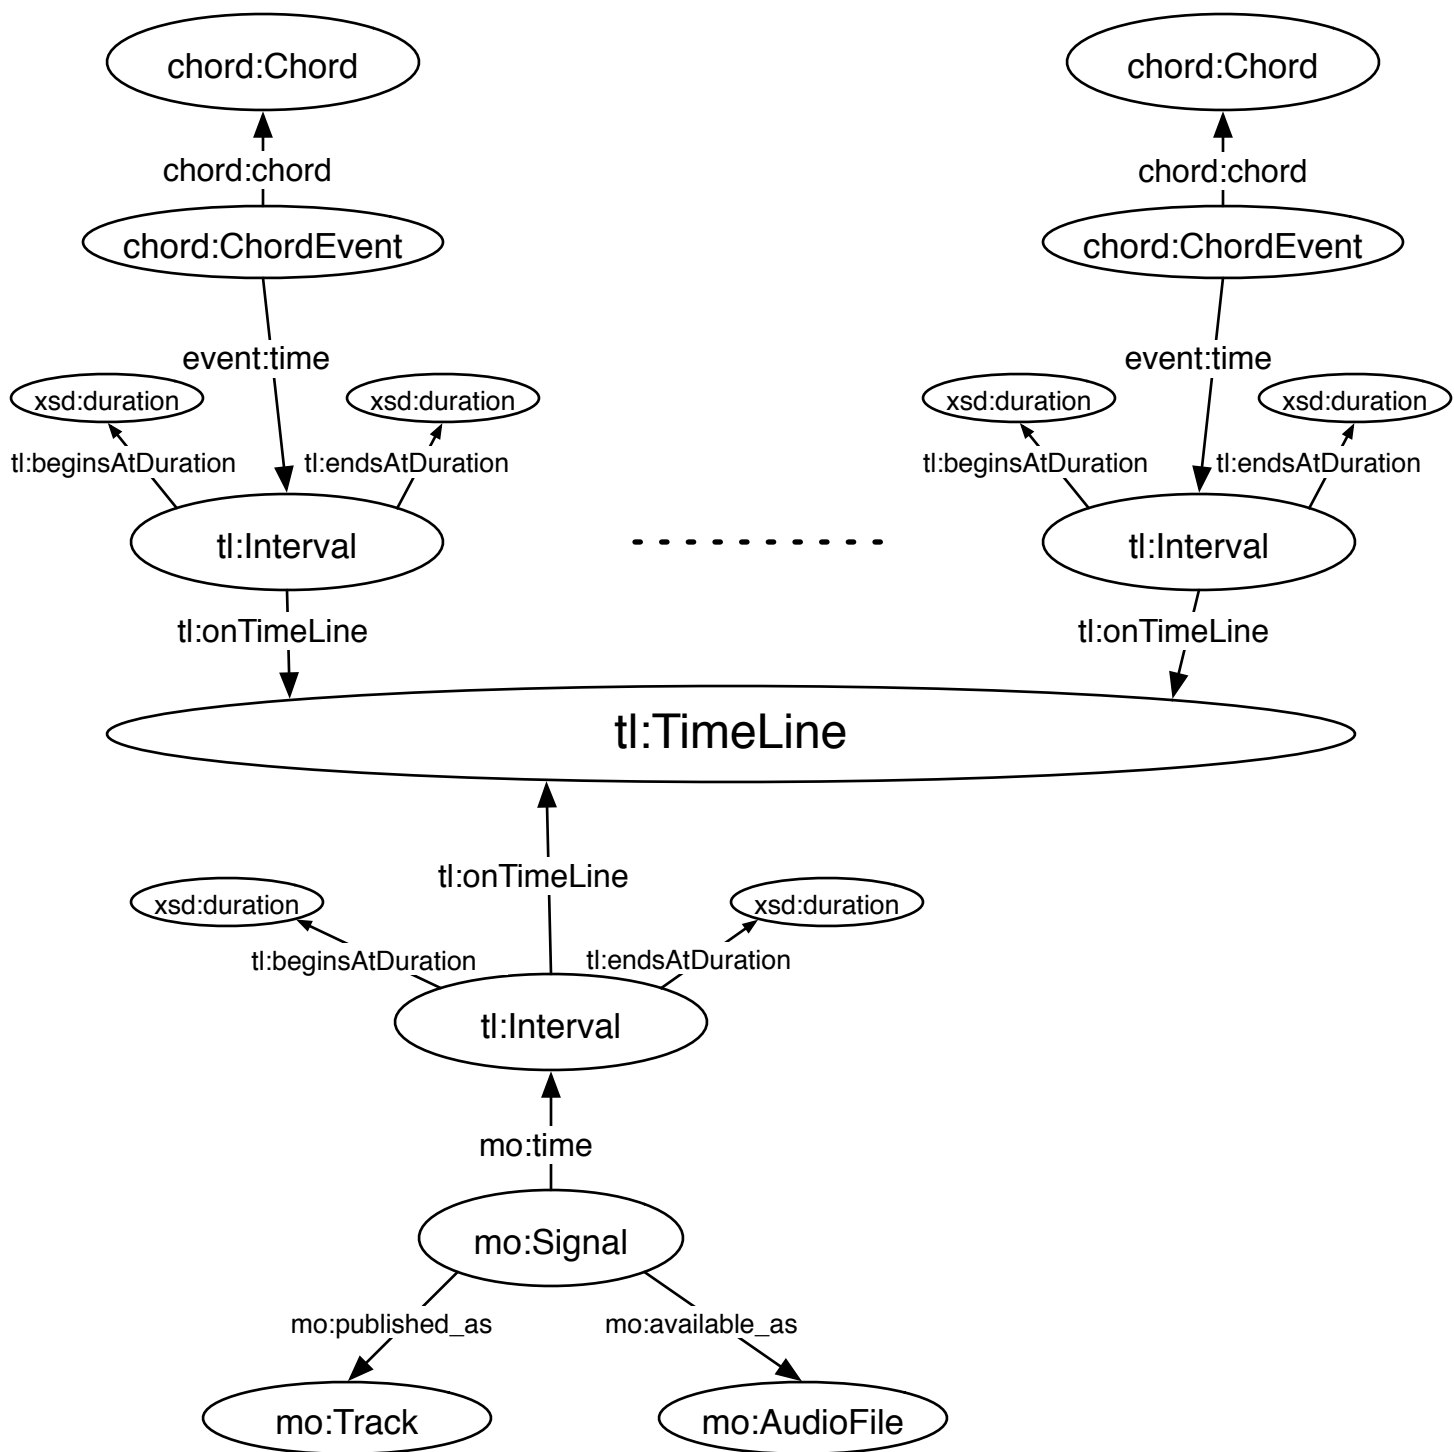

RDF for chord

```

<symbol/Ds:min7(9)/5> rdf:type :Chord;
                        :base_chord :min7;
                        :root :note/Ds;
                        :bass [rdf:type :ScaleInterval;
                              :degree 5 ];
                        :interval [rdf:type :ScaleInterval;
                              :degree 9 ].
  
```

Usage with the TimeLine, Event and Music ontologies
